Easy Mounts are the easiest Mounts to use. All you need to do is, select the Mount size, cut to the required length, peel off the backing paper and then align to the place you wish to install, press the mount on to your page. It is that simple.

Easy Mounts will stick to any type of paper including gloss.

EASY MOUNTS the self adhesive mount where you do not have to use any water, sponge or lick and stick. This is a wonderful idea and as we all know having water or a damp cloth next to your mint stamps is not a very good idea. These will stick to any kind of paper and they come in clear/transparent or in black back. No paper distortion like before when you used water. The adhesive is only a small strip on the bottom of the mount. This is unlike the previous Alba & Mela which are glued on the entire back. The sizes are the same as for the Alba & Mela mounts. There are a few sizes that are deleted mainly the unpopular sizes. Now all are available here in Australia. Every Customer who has used these to date have said what a wonderful idea and so easy to use.

There are some sizes that are not made in Easy Mounts and are still available in the old Lick & Stick Alba (clear) or Mela (black). Please ask for any sizes not listed in Easy mounts. Price \$13.00 per packet or \$11.50 per packet if you buy 10 packets or more of your choice. 10 + can be a mixed combination.
